BUTTER WAFER COOKIES

Made with all-natural ingredients from a traditional European recipe, fan wafers are baked in individual layers that are folded over one another again and again to create the unique shape and crispy texture. This rich, delicious wafer is an elegant accompaniment to ice cream or similar desserts.

Served alone with coffee or tea, it turns a simple dessert into a true delight.

Ingredients

Wheat flour, sugar, milk proteins, butter, egg yolks, salt, lecithin and natural flavors
